3mm ABS / PST PANEL

# SHELL SCHEME STAND COMPONENTS

ADJUSTABLE FOOT

3mm ABS / PST PANEL

**SHELL SCHEME INFORMATION**

- Stands consist of Octanorm walling, fascia's & black vinyl Company names
- Panels are 3mm white PST boards
- Exhibitor display material can be adhered to the panels with double sided tape or velcro.
- Should you wish to nail into the walling, 16mm melamine boards can be ordered at an additional cost.
- Alternatively, 'S'Hooks are available to hang product from the aluminium.
- Expo Solutions can print Exhibitor graphics onto self adhesive vinyl which will be applied to the panels. This will be at an additional cost. Print ready artwork needs to be supplied to us. Costs can be provided on request.
- When supplying artwork, please use the panel size provided (not visual size). This includes a 6.5mm bleed all round. Please include a jpeg mock-up of graphic panels indicating placement on the stand.
- Shelving, lockable cupboards & counters are available for rental.
- Additional furniture may be ordered from the Services Manual.
