INVITED!**

Lunch **Symposium**

UNVEILING THE RENAL MYSTERIES OF FABRY DISEASE FROM GENETIC INSIGHTS TO FAMILY-CENTERED CARE

We are pleased to invite you to a special educational session tailored for Nephrologists. Join us as we delve into the complexities of Fabry disease, focusing on its renal manifestations, genetic insights, and the importance of family-centered care.

Indaba Hotel and Conference Centre, Fourways, JHB

18 October 2024

13:20 - 13:50

SPEAKER: PROF. CHRIS VORSTER

Prof Chris Vorster became Director of the Centre for Human Metabolomics at North-West University in 2010, establishing national metabolomics services. In 2023, he joined the DIMPLMCS Nngwe programme to advance rare disease diagnostics using genomics, proteomics, and metabolomics.

Due to the scientific and educational nature of the event, this invitation is not extended to spouses or other accompanying persons. This invitation is not transferable.
