

## AstraZeneca cordially invites you to a HYBRID SYMPOSIUM at the South African Renal Congress

Rare but Critical: An in-depth analysis of aHUS (Haemolytic Uraemic Syndrome).

 18 October 2024 |  13:20 – 13:50

 Indaba Hotel & Conference Centre, Fourways, Johannesburg: Injabulo Room

**Dear Doctor,**

Discover the often overlooked yet critical condition of aHUS.

Unite with us for a comprehensive exploration into recognizing, diagnosing, and effectively managing this rare disorder, frequently overshadowed by similar presentations. Gain invaluable insights and expertise in our in-depth discussion on when to suspect and how to diagnose aHUS.

Together, let's shine a light on this rare but crucial medical challenge.

If you unable to attend in person, please [Click here to join us online](#)

### Speaker: Prof Errol Gottlich

Prof Gottlich is a University of Witwatersrand graduate and a specialist paediatric nephrologist. He has been in practice at the Morningside Mediclinic and University of Witwatersrand Donald Gordon Medical Centre since 2006. He is an honorary professor in the paediatric nephrology department at the University of Pretoria where he is involved in the training of paediatric registrars and paediatric nephrology fellows. Prof Gottlich also manages the KidneyCare programme at Discovery Health which focuses on processes to improve the quality of care and quality of life of Discovery members with chronic kidney disease.
